WELSH GIANTS WEEKEND

The Welsh Giants Weekend Trek puts you on the summit of six very famous Welsh peaks in one weekend! This two day itinerary is tough but achievable with a good level of stamina and enthusiasm to match. We meet at our accommodation at the foot of Snowdon on Friday evening, deep in the heart of the Snowdonia National Park. The challenge covers some exciting terrain over the Glyders range on Saturday – keeping to a high, rocky plateau with amazing views of the Snowdon (Yr Wyddfa) to the south. On Sunday, we tackle Snowdon itself and its neighbouring peak Y Lliwedd,

DAY 1 ARRIVAL IN SNOWDONIA

You will be met at our accommodation at the foot of Snowdon by your Leaders for the weekend. We have an evening meal and a briefing on the weekend ahead.

DAY 2 THE GLYDERS RANGE

8-9 HRS TREKKING

Today is a tough day with four high summits to be visited. We are up early and take a very short transfer to the walk start. The Glyders range boasts an exciting lunar landscape of rocks (including the infamous Cantilever Stone) and the dramatic peaks of Glyder Fach (3262ft), Glyder Fawr (3280ft), Y Garn (3104ft) and Elidir Fawr (3030ft). On a clear day, from this magnificent ridge walk you should be able to see Ireland and the Isle of Man. We have a packed lunch on the way and then continue to the end of the days challenge in the village of Nant Peris. Here we take a short transfer back to our accommodation for showers and a well deserved and tasty evening meal. If the weather is fine, and we're not too tired, we can also take an evening stroll after dinner to watch the sunset!

DAY 3 SNOWDON AND Y LLIWEDD

7-8 HRS TREKKING

We have an early breakfast to make the most of the day before we tackle the UK's highest and most popular peak, Snowdon (3561ft). The path we choose is sometimes steep and challenging but it's a fine walk amongst the best mountain scenery in the UK. Once on the summit, we shall also be able to see our next peak, Y Lliwedd, an exciting ridge walk to finish off this magnificent route. Upon return to the base of the mountain, we'll be able to enjoy some refreshment in the local Cafe before heading back home – feeling tired but jubilant!
